

INTERCHANGEABLE VANE PUMP CARTRIDGE KITS

What good is a cart without a horse?
(Philosophers ponder whether it should be before or after...)

So, you ponder, what good is a cart kit without a pump?
In the case of Northman cartridge kits - PLENTY!

We offer cartridge kits that are available not only for our own pumps but also as interchangeable kits for other manufacturers' popular pumps!

25V, 3520V, 45V, 35VQ, 3520V, 25VQ, 4535V, 3525VQ, etc.

See our website for our cartridge kit chart:
